**MEMORANDUM OF UNDERSTANDING
BY AND BETWEEN**

Wyomissing Borough Police Department
West Reading Borough Police Department
and

Wyomissing Area School District

June __, 2025
Two Year Period (25/26 & 26/27)

I. Joint Statement of Concern

A. Parties

The following Law Enforcement Authority or Authorities enter into and agree to adhere to the policies and procedures contained in this Memorandum of Understanding (hereinafter "Memorandum"): Wyomissing Borough Police Department and West Reading Borough Police Department.

The following School Entity or Entities enter into and agree to adhere to the policies and procedures contained in this Memorandum: Wyomissing Area School District including Wyomissing Hills Elementary Center, West Reading Elementary Center and Wyomissing Area Jr./Sr. High School.

- B.** The purpose of this Memorandum is to establish procedures to be followed when certain specific incidents - described in Section II below - occur on school property, at any school sponsored activity or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus.
- C.** It is further the purpose of this Memorandum to foster a relationship of cooperation and mutual support between the parties hereto as they work together to maintain the physical security and safety of the School Entity. Thus, the School Entity may disclose personally identifiable information from an educational record of a student to the Law Enforcement Authority if a health or safety emergency exists and knowledge of that information is necessary to

protect the health or safety of the student or other individuals. In determining whether a health or safety emergency exists, the School Entity may take into account the totality of the circumstances pertaining to a threat to the health or safety of a student or other individuals. If the School Entity determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records to the Law Enforcement Authority, if knowledge of that information is necessary for the Law Enforcement Authority to protect the health or safety of the student or other individuals. The School Entity must record the articulable and significant threat to the health or safety of a student or other individuals so that it can demonstrate - to parents, students and the Family Policy Compliance Office - what circumstances led it to determine that a health or safety emergency existed and why the disclosure was justified. In furtherance of the parties' intent to foster this working relationship, the following officers are designated as their respective departments' law enforcement liaison: Chief of Police for the Borough of Wyomissing Police Department and Chief of Police for West Reading Borough Police Department.

- D. The parties hereto agree that in the event that an incident defined by this Memorandum occurs on school property, at any school sponsored activity, or on any public conveyance, including but not limited to a school bus, providing transportation to or from a school or school sponsored activity, primary law enforcement jurisdiction will be determined by the location of the incident.
- E. Priorities of the Law Enforcement Authority
 - 1. Investigate all incidents reported to it by the school entity to have occurred on school property, at any school sponsored activity or on any public conveyance providing transportation to or from a school or school sponsored activity, including but not limited to a school bus. The investigation of all reported incidents shall involve as little disruption of the school environment as is practicable.
 - 2. Attempt to identify those responsible for the commission of the reported incident and, where appropriate, apprehend and prosecute those individuals. Identification and apprehension procedures shall involve as little disruption of the school environment as is practicable.
 - 3. Assist the School Entity in the prevention of the incidents described in Section II of this document.

F. Priorities of the School Entity

1. Create safe learning environments, which support each student's well-being and opportunities to reach their full potential while balancing and protecting the rights of all students.
2. Establish and maintain cooperative relationships with the Law Enforcement Authority in the reporting and resolution of all incidents described in Section II of this document.
3. Foster partnerships with the Law Enforcement Authority for the education and guidance of students to create a school climate and knowledge base conducive to learning and personal growth.
4. Provide the Law Enforcement Authority with all relevant information and required assistance in the event of a reported incident.

G. Legal Authority

1. The parties to this Memorandum enter into this agreement in accordance with the provisions of the act of March 10, 1949 (P.L. 30, No. 14), as amended, 24 P.S. §§13-1301-A *et seq.* (hereinafter "Safe Schools Act"), requiring all school entities to develop a memorandum of understanding with local law enforcement which sets forth procedures to be followed when an incident involving an act of violence or possession of a weapon, as further specified in Section II of this document, by any person occurs on school property. Law enforcement protocols shall be developed in cooperation with local law enforcement and the Pennsylvania State Police. 24 P.S. §13-1303-A(c).
2. In so recognizing this legal authority, the parties acknowledge their respective duties pursuant to the Safe Schools Act and hereby agree to support and cooperate with one another in carrying out their joint and several responsibilities thereunder.

May 8, 2025

Borough of Wyomissing
22 Reading Boulevard
Wyomissing, PA 19610

Dear Mayor Levering & Borough Council:

This letter is to inform you of a constituent outreach our office received regarding the intersection of State Hill Road and Larchwood Road.

Mr. James Caltagirone of 6 Birchwood Road in Wyomissing Borough contacted my office to express safety concerns related to the intersection. He shared that when traveling west on State Hill Road, the left turn required to access Greenwood Mall is difficult because the motorist must cross two lanes of traffic. Heavy traffic and speeding motorists compound the issue. Mr. Caltagirone is proposing the addition of a turning arrow at the intersection's traffic light to address the problem.

I understand that such a signal would require PennDOT's approval, and that the proposed roundabout at this location would eliminate the need for a traffic light. However, can the Borough of Wyomissing review this request and determine whether it is feasible?

Thank you for your consideration and for your continued service to Wyomissing residents. Should you need additional information, please contact my office.

*P.S. - As a resident of
Deisur Ct who accesses
this intersection multiple
times a day, I 100% agree!*

Sincerely,

A handwritten signature in cursive script that reads "Judy Schwank".
