

BOROUGH OF WYOMISSING, BERKS COUNTY
UCC COMMERCIAL BUILDING PERMIT APPLICATION

**Borough of Wyomissing UCC Commercial Building Permit Application &
Instructions**

Kraft Municipal Group is responsible for performing all Uniform Construction Code building plan review and related inspections. All building permit and plan review related questions should be directed to **Kraft Municipal Group at 610-777-1311 or contact@kraftmunicipalgroup.com**. **Permit applications, plans and the permit deposit fee should be submitted to Wyomissing Borough Hall, 22 Reading Blvd., Wyomissing, PA 19610.**

Permit related inspections can be scheduled by calling 610-775-7185.

Below are basic guidelines for the submission of a commercial building permit application.

- Building permit applications will not be accepted without being accompanied by a permit deposit fee of \$150.00, payable to the Borough of Wyomissing.
- ***The completed permit application must be accompanied by two (2) sets of plans and a thumb drive containing an electronic copy of the plans; that have been prepared and stamped and sealed by a registered architect or a licensed professional engineer, licensed in the Commonwealth of Pennsylvania.***
- Building plans submitted with the permit application should include all architectural and structural details for the areas to be included with the permitted work, along with plumbing, mechanical, electrical, fire protection and accessibility details and specifications, where applicable.
- Two (2) sets of the site plan for the project must be attached to the permit application and adequately show all property line setbacks, the existing and proposed building footprint at grade level, and the square footage of all existing and proposed paved surfaces.
- If applicable, full engineering data and calculations must be submitted with all commercial building permit applications. These would include but are not limited to: fire protection calculations, HVAC ventilation schedules, plumbing fixture unit calculations, fuel gas pipe sizing calculations, electrical service calculations, etc.
- An Energy Conservation Code compliance certificate or equivalent must be submitted with all applications for new construction.
- A copy of the approval letter for E&S control from the Berks County Conservation District should be submitted, if applicable.
- ***The UCC allows a 30 business day review period for all commercial building permit applications. NO WORK SHALL BEGIN ON ANY PROJECT UNTIL A BUILDING PERMIT HAS BEEN ISSUED AND PAID FOR IN FULL.***
- A Certificate of Workman's Compensation Insurance must be submitted with this application.

The approved/issued building permit will be accompanied by a permit card and supporting documentation that will be returned to the applicant upon receipt of payment in full for the permit. The permit will detail all required inspections specific to the project. The permit card and associated plans and other documents **MUST BE KEPT ON THE PROJECT SITE AT ALL TIMES.**

UCC COMMERCIAL BUILDING PERMIT APPLICATION

FLOODPLAIN:

Is the site located within an identified flood hazard area? Yes No
Will any portion of the flood hazard area be developed? Yes No

Owner/Agent shall verify that any proposed construction and/or development activity complies with requirements of the National Flood Insurance Program and the Pennsylvania Flood Management Act (Act 166-1978), specifically Section 60.3(d).

The applicant certifies that all information in this application is correct and the work will be completed in accordance with "approved" construction documents and PA Act 45 {Uniform Construction Code) and any additional approved building code requirements adopted by the Borough of Wyomissing. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, rights-of-way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Borough of Wyomissing or any other governing agency. The applicant/owner certifies he/she understands the applicable codes, ordinances, and regulations.

Application for a permit shall be made by the owner or lessee of the building or structure, or agent of either, or by the registered design professional employed in connection with the proposed work.

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
