Wyomissing Borough's Zoning Ordinance defines a portable outdoor storage container as "any portable onsite container, often made of steel or metal and movable by trailer, providing a mobile storage option".

The following regulations apply to the placement of PODS and Dumpsters:

- Outdoor storage of any type shall not be permitted unless such storage conforms to the normal functions and procedures conducted on the premises. **Outdoor storage of any type shall be prohibited if such storage is considered and/or construed as unsightly, malodorous, or hazardous to the environment and potentially detrimental to the health and safety of the adjacent property owners.**
- The location of the permitted materials to be stored outside **shall comply with the minimum setback provisions** of the zoning district in which it is located. The location of all PODS or dumpsters must meet these minimum requirements.
Front Yard Setback: _____ Side Yard Setback: _____ Rear Yard Setback: _____
- Portable Outdoor Storage Containers are allowed for a **maximum of 72 hours** for loading or unloading for residential construction or residential building remodeling, and in connection with construction and/or renovation while a building permit is issued for a property.
