Title: **BLOTTER REPORT**

Created By: **BARRY W. MOYER**

Complainant reported his rear fence was stolen/taken down since this past weekend. Upon checking where the fence was supposedly at there was no evidence that a fence had been there recently as there were trees / shrubs in the area where the fence would have been and no signs of dirt recently dug up. Talked to a neighbor who said the fence was removed a year ago as it was found to be on her property. Complainant advised to contact a civil attorney if he wishes to pursue this further.

Unit 2 was stopped as traffic had come to a stop on the bypass because of another accident and was rear-ended by Unit 1. Unit 2 passenger reported head and neck pain so WBAA was requested. Unit 2 passenger then asked for WBAA to cancel as she will go to the hospital on her own. Unit 2 towed by KC Auto. See accident report.
