Title: **BLOTTER REPORT**

Created By: **BARRY W. MOYER**

One vehicle accident where it spun out on the snowy roads striking the center median, ending up facing the wrong way. Vehicle was able to be removed off of the roadway. Driver was not injured and the vehicle was driveable. A tow truck stopped to check if the driver wanted any help. Driver decided to get a tow because she thought it would be a good idea for her not to drive her Toyota Corolla the rest of the way home in the snow.

Property management called reporting a vehicle was parked in a way the it was preventing the snow plows to work. Upon arriving found the vehicle unoccupied and causing a traffic hazard. Vehicle owner came back while I was there and said she left it there as the vehicle wouldn't go any further in the weather. Female was able to get the vehicle moving and out of traffic.
