Dispatched to the above location for the report of a theft of a vehicle from the business. Upon arrival contact was made with the complainant who stated that he dropped off his truck for repairs and it is now missing from the lot. He advised that he did not have a personal number for the shop owner to see if he moved the truck. Contact was made with the shop owner who confirmed he moved the truck into a garage so it did not get snowed on before he worked on it. Resolved.
