Comp called to report that he was a victim of road rage. Same exited the bypass and at the bottom of the ramp he stopped for traffic. The driver behind him laid on the horn so comp gave him the finger. Other driver pulled in front of comp and exited his vehicle. He yelled at comp and his g/f then attempted to get into the vehicle. When he couldn't open the door he punched the window. Only description is a gray BMW with tinted windows, driven by a w/m mid to late 20s.
