

SPARTAN SPROUTS

Wyomissing Hills Elementary Center implemented a new program for incoming Kindergarteners called “*Spartan Sprouts*”. The purpose of this program is to give incoming Kindergarteners a basic introduction and hands-on experience with books, letters, numbers, and fine motor skill activities (scissors, pencil grip, kid-writing, etc.) that they will need in Kindergarten.

Some children entering Kindergarten have been exposed to a school-learning environment either at home or in preschool and some have not. Children starting Kindergarten with little to no knowledge of letters, numbers, writing, etc., are automatically at a disadvantage and it takes them much longer to catch up to their peers.

It is our hope that the “*Spartan Sprouts*” program will help bridge this gap and provide children with the necessary skills and confidence to be successful and excited for school. For more information about the program, please contact Mrs. Kate Bobst (Principal) @ 610-374-0739 ext. 4102.
