

# Talking TRASH

BOROUGH OF WYOMISSING REFUSE & RECYCLING NEWS 2022

As we move into 2022 there are two important changes that will occur. Greenwood Mall neighborhood Refuse collections will move to Tuesdays at the request of the hauler. Also, as per newly signed Borough Ordinance 1423-2021, Refuse and Recycling receptacles must be removed from curbs and alleys where the receptacles are placed for collection, no later than 11:59 p.m. the day of collection. More Refuse and Recycling information is available in the Citizen newsletter and online at [www.wyomissingboro.org](http://www.wyomissingboro.org) under the Refuse and Recycling section.

## REFUSE, RECYCLING, AND YARD WASTE REMINDERS:

- Recycling shall not be placed at curb or alley for collection earlier than noon (12:00 p.m.) on the day prior to scheduled collection without specific permission from the Borough.
- Refuse containers shall be removed from the curb or alley by 11:59 p.m. (prevailing time) the same day as collection without specific permission from the Borough and stored on the property to which the refuse containers are related. Containers are not to remain in the alleys or on the streets where they are placed for collection, rather must be moved back to your private property.
- Any content that spills out of your refuse, recycling and/or yard waste containers is the homeowners responsibility to clean up
- Make sure items are placed in a location visible to the haulers
- Recycling is single-stream which means residents do not need to sort items. Please do not bag your recyclables.
- Review the list of new recyclable items that are now accepted as part of the Flexible Plastic Packaging Program; please remember to thoroughly clean out your items before recycling
- Biodegradable paper yard waste bags or refuse type containers without lids are acceptable for yard waste
- Biodegradable paper yard waste bags can be purchased at Borough hall, or a home improvement store
- Yard waste bags or containers should not exceed 40 pounds
- Yard waste bags should not be placed in gutters if rain is expected
- Branches should be 6" in diameter or less, and less than 4' in length
- Residents are limited to 10 bundles of yard waste per week
- Firewood, stumps, dirt or rocks are not considered yard waste
- Never mix trash and yard waste
- If you have a grassy area between your curb and sidewalk, please place your refuse and recycling receptacles there. Placing items on the street makes street sweeping and leaf collections challenging.

Single Stream recycling material can be placed together in the same recycling container

### NOTICE

At the request of Waste Management, refuse collections for Greenwood Mall neighborhood will move to Tuesdays beginning January 1, 2022.

Waste Management will continue to take up to 5 containers of refuse trash each week. They will also take up to 2 bulk items per week on your regular trash day with a bulk item ticket. Please purchase a ticket for \$15.00 per item at Borough Hall at least two days before your regular trash day.

WYOMISSING BOROUGH RECYCLE CONTAINERS ARE STILL AVAILABLE FOR FREE!

Call Borough Hall to order one.

## We Are Now Adding to What Can Be Recycled — Flexible Plastic Packaging!

Community residents served by J.P. Mascaro & Sons can now recycle more types of plastics.
