

WYOMISSING BOROUGH WATER DEPARTMENT

BOIL WATER ADVISORY GREENWOOD MALL

HIERVAN EL AGUA ANTES DE USARLA.
ESTE INFORME CONTIENE INFORMACION IMPORTANTE ACERCA DE SU
AGUA POTABLE. HAGA QUE ALGUIEN LO TRADUZCA PARA USTED, O
HABLE CON ALGUIEN QUE LO ENTIENDA

**YOUR WATER MAY BE AT INCREASED RISK FROM MICROBIAL
CONTAMINATION DUE TO A WATER MAIN BREAK.**

DO NOT DRINK THE WATER WITHOUT BOILING IT FIRST. Bring all water to a boil for one minute, and let cool before using, or use bottled water. Boiled or bottled water should be used for drinking, making ice, brushing teeth, washing dishes, and food preparation **until further notice.** Boiling kills bacteria and other organisms that may have entered the water system.

WHAT HAPPENED?

We recently had a water main break in your area. During the repair process we lost water pressure in the system. This may have led to ground contaminants entering the system.

WHAT IS BEING DONE?

We have flushed the system and are currently taking water samples. When results of these samples comes back clean (two to three days), we will contact you to let you know the advisory has been lifted
