

Talking TRASH 2020

BOROUGH OF WYOMISSING REFUSE & RECYCLING NEWS

Let's talk trash! Actually, let's talk about your new "Talking Trash" publication! The Borough of Wyomissing Refuse & Recycle committee recently took an initiative to eliminate the yearly multi-page "Talking Trash" publication, and replace it with the new single sheet newsletter insert. Your yearly reference sheet provides important refuse, recycle, and yard waste collection days, holiday schedules, and reminders to follow when preparing items for pick up. More refuse and recycle information is available in the Citizen newsletter, and online at www.wyomissingboro.org.

Advanced Disposal will continue to take up to 5 containers of refuse trash each week. They will also take up to 2 bulk items per week on your regular trash day with a bulk item ticket. Please purchase a ticket for \$15.00 per item at Borough Hall at least two days before your regular trash day.

Placement of Materials

Containers of recycling, trash and/or yard waste may be placed at your curb or on alley no earlier than 6:00 p.m. the night before and no later than 5:00 a.m. the day of the scheduled collection. Putting containers or bags out too early can cause the material inside to spill out onto public property which then becomes an issue for the responsible party putting it out to clean up any mess left behind. Also, please be sure to put your containers out where they can easily be seen for collection. We appreciate your cooperation in this matter.

Yard Waste

The Borough of Wyomissing offer the services of a yard waste program to its residents. Yard Waste material is considered to be grass cutting, leaves, twigs, etc. The yard waste service is provided from mid-March until early-December. All yard waste must either be in a biodegradable paper yard waste bag (not plastic trash bags) or a refuse type container with handles (trash can or plastic container – please remove all lids from cans on the day of collection). The yard waste bags/containers may NOT exceed more than forty (40) pounds in weight. Branches cannot be larger than 6" in diameter and no longer than 4' in length. There is a limit of 10 bundles per week. Biodegradable bags are sold at Borough hall or any home improvement center. Firewood, stumps, dirt or rocks are NOT considered to be yard waste. You can call a private hauler for that type of material removal. Never mix trash/refuse with yard waste.

WYOMISSING BOROUGH RECYCLE CONTAINERS ARE STILL AVAILABLE FOR FREE!

Call Borough Hall to order one.

Single Stream recycling material can be placed together in the same recycling container

Metal

NO Materials in Plastic Bags
NO Plastic Bags
NO Scrap Metal

Paper & Cardboard
