BOROUGH OF WYOMISSING REFUSE & RECYCLING NEWS 2023

As we move into 2023, J.P. Mascaro will be the refuse, recycling, and yard waste hauler. Refuse and recycling weekly Borough-wide collection schedules will remain the same, however, **new this year**, yard waste collections will move from Wednesdays to Mondays (during the yard waste collection season). There will be a truck collecting refuse on Mondays as well as a truck collecting yard waste.

Due to the increase in the contract pricing, Refuse related fees will increase to \$112.50 quarterly, and will appear on your 2022 fourth quarter utility bill.

REFUSE, RECYCLING, AND YARD WASTE REMINDERS:

NEW FOR 2023, yard waste collections Borough-wide will move to Monday. Refuse and recycling schedules will remain the same.

- Recycling shall not be placed at curb or alley for collection earlier than noon (12:00 p.m.) on the day prior to scheduled collection without specific permission from the Borough.
- Refuse containers shall be removed from the curb or alley by 11:59 p.m. (prevailing time) the same day as collection without specific permission from the Borough and stored on the property to which the refuse containers are related. Containers are not to remain in the alleys or on the streets where they are placed for collection, rather must be moved back to your private property.
- Any content that spills out of your refuse, recycling and/or yard waste containers is the homeowners responsibility to clean up.
- Make sure items are placed in a location visible to the haulers.
- Recycling is single-stream which means residents do not need to sort items. Please do not bag your recyclables.
- Review the list of new recyclable items that are now accepted as part of the Flexible Plastic Packaging Program; please remember to thoroughly clean out your items before recycling.
- Recycling containers must be clearly marked that they are for recycling. Recycling indicator stickers are available at Borough Hall. (The hauler will not accept items in plastic bags.)
- DEP requires that mattresses and box springs must be bagged in mattress disposal bags
- Electronics are not accepted as part of bulk waste, and must be taken to an electronics recycling facility
- Biodegradable paper yard waste bags or refuse type containers without lids are acceptable for yard waste. Yard waste bags can be purchased at Borough Hall, or a home improvement store. (The hauler will not accept items in plastic bags.)
- Yard waste bags or containers should not exceed 40 pounds.
- Yard waste bags should not be placed in gutters if rain is expected.
- Branches should be 6" in diameter or less, and less than 4' in length.
- Residents are limited to 10 bundles of yard waste per week.
- Firewood, stumps, dirt or rocks are not considered yard waste.
- Never mix trash and yard waste.
- If you have a grassy area between your curb and sidewalk, please place your refuse and recycling receptacles there. Placing items on the street makes street sweeping and leaf collections challenging.

Single Stream recycling material can be placed together in the same recycling container

We Are Now Adding to What Can Be Recycled — Flexible Plastic Packaging!

Community residents served by J.P. Mascaro & Sons can now recycle more types of plastics.

✓ YES! Flexible Packaging Now Can Be Recycled

These items can now be recycled. Please make sure they are empty, clean, and dry before placing in the curbside cart.
